EDUCATION

2024-2026

National Research University Higher School of Economics (HSE), Moscow

Master of Arts in Population and Development (*Expected, 2026*)

Field of study: Public Administration (38.04.04)

2017-2021

University of Ghana, Accra, Ghana

Bachelor of Arts (*First Class Honours*)

Majors: Geography & Resource Development and Political Science

RESEARCH PROJECTS

Master's Thesis (Ongoing): *The Impact of Artisanal and Small-Scale Gold Mining on Agricultural Livelihoods in Wassa Amenfi East, Ghana.*

Supervisor: [Professor Arnab Roy Chowdhury](#)

- Examines the effects of artisanal and small-scale gold mining on agricultural productivity and household income outcomes
- Quantifies crop yield losses and income reductions per acre using survey data, interviews, and econometric analysis
- Provides policy-relevant recommendations for harmonising mining activities with sustainable agriculture in the municipality

Tools and Skills in Use: Python, GIS, Microsoft Excel and Word

Nov 2025 *Fertility and Female Education in Ghana: A Microdata Analysis Using DHS (2022).*

Supervisor: [Professor Alexander Larionov](#)

- Analysed Ghana DHS 2022 microdata to examine education-fertility differentials
- Led descriptive analysis, regression modelling, and interpretation of results
- Presented findings at an international academic conference.

Tools and Skills Used: Python, Data Analysis, Presentation

May 2025 *Public Administration Measures to Counteract Population Ageing.*

Supervisor: [Professor Alexander Larionov](#)

- Analysed demographic ageing trends and policy responses
- Proposed strategies addressing labour, welfare, and social challenges of an ageing population

Skills: Policy Analysis, Demographic Research

2019 *Spatiotemporal Analysis of Land Surface Heat: A Case Study of the Greater Accra Metropolitan Area (GAMA) Between 2002 and 2017.*

Supervisors: [Prof. Alex Barimah Owusu](#) and [Prof. Gerald Albert Baeribameng Yiran](#)

- Analysed Landsat ETM+ satellite imagery using ENVI 5.0 and GIS to assess urban heat dynamics

Tools and Skills Used: Remote Sensing, GIS, ENVI 5.0, Landsat Data Processing

PROFESSIONAL EXPERIENCE

Jul 2023-Aug 2024: Risk and Compliance Officer **Pacific Savings and Loans PLC, Ghana**

- Conducted regulatory audits, risk assessments, and compliance monitoring
- Prepared compliance reports for senior management and regulators
- Trained staff on KYC, AML, and fraud prevention

Oct 2021-Sept 2022: Teaching Assistant **Presbyterian Boys' Secondary School, Legon-Accra**

- Supported teaching and assessment in social science subjects
- Assisted with lesson planning and evaluation of student performance
- Facilitated programs enhancing the critical thinking and analytical skills of students

Jun 2019-Aug 2019: Physical Planning Intern **Kwabre East Municipal Assembly, Ghana**

- Supported land-use planning and infrastructure policy implementation
- Conducted site inspections and compliance checks with planning regulations

Jul 2016-Aug 2017: Basic School Teacher **First Star Academy, Wassa Mampong, Ghana**

- Designed and delivered lesson plans to enhance student learning and engagement
- Prepared junior high school students for external examinations with full pass outcomes

CONFERENCE PRESENTATION

Amoateng, D. (2025). *Fertility and Female Education in Ghana: A Microdata Analysis Using the Demographic and Health Survey (DHS)*.

- Joint video presentation at the Annual International Conference “Carpe Scientiam”, Higher School of State Audit, Lomonosov Moscow State University.

Awarded *I-degree diploma* (first-class distinction; assessed individually).

Key finding: Women with no education had over five times higher odds of high fertility compared to highly educated women ($p < .001$).

GRANTS AND SCHOLARSHIPS

July 2025-Present *State Academic Scholarship for Foreign Students*

Funding agency: Ministry of Science and Higher Education of the Russian Federation

Grant reference: 6.18-03/210725-13

Institution: National Research University Higher School of Economics, Moscow, Russia

July 2024- June 2025 *State Academic Scholarship for Foreign Students*

Funding agency: Ministry of Science and Higher Education of the Russian Federation

Grant reference: 6.18-04/010724-59

Institution: National Research University Higher School of Economics, Moscow, Russia

2020/2021 *Ghana Local Tertiary Scholarship*

Funding agency: Ghana Scholarship Secretariat

Serial Number: DA33820

Institution: University of Ghana, Accra, Ghana

RESEARCH METHODS AND SKILLS

Programming: Python

Software: Microsoft Office Suite (Excel, Word, PowerPoint)

Research: Quantitative & Qualitative Methods, Policy Analysis, Data Visualisation.
